

Our Journey

Green Tropica Harvests Private Limited, founded by Mr. Ramoji Rao Kanamaneni, finds its roots from his 45-year-old family history in fruit production and supply. Our valued farming and extensive network structure is now shaping us into a self-contained procurement, branding and marketing entity in fruit supply industry.

With extensive knowledge in the fruit industry, we have outstanding fruit management in the presence of highly experienced professionals in the fruit procurement process.

Our Core Values

- Integrity
- Transparency
- Trust

Our Vision

To be the leading and most trusted Farm-to-Business partner with multi-sourcing procurement across the nation, thus catering the local taste globally with utmost hygiene and quality.

Our Mission

To source a range of high-quality fruits through our vast and Robust Farmers network and deliver them fresh to our customers across India.
